Diaspora

- ▣ Greek for 'scattering' or 'dispersion'
- ▣ Widely used in anthropology, ethnic and racial studies
- ▣ Wider than just migration
- ▣ Recently, a widening of the term "any and every nameable population category ...dispersed in space" (R. Brubaker, 2005)
- ▣ "any population on the move and no longer referring to the context of their existence" (A. Weinart, 2010)
- ▣ Can we use the term 'diaspora' to describe what we are talking about today?
